

SHAN DONG JIU JIANG STEEL

A GLOBAL, PROFESSIONAL AND INDEPENDENT
STEEL INTERNATIONAL SUPPLY CHAIN SERVICE
PROVIDER

COMPANY INTRODUCTION

Liaocheng Jiujiang Machinery Manufacturing Co., Ltd. is located in North China, convenient transportation, close to Qingdao and Tianjin port, is a large international steel sales and processing supply chain service provider. The company has stainless steel plate, carbon steel plate, container plate, boiler accessories customized processing. It has passed iso9001 quality management system certification and SGS certificate.

Company advantages:

- 1: large inventory, short delivery time;
- 2: steel factory first-hand supply, workshop stock, the price is more beautiful;
- 3: Power factory plus trade, service is safer. After the successful signing of the order, there is a professional after-sales team to provide on-site guidance services.

And the confidentiality guarantee with our company to purchase products, dissatisfied guarantee return, guarantee replacement. Provide satisfactory service to customers all over the world.
